PROFESSIONAL EXPERIENCE

Senior Accountant

Jun 2026 – Present

Noble Line | Fit-Out, Construction & Solar Energy Contracting | Egypt (Remote)

- Run the entire finance function as the company's sole finance professional, reporting directly to the founding partners on cash position, project margins, and financial risks.
- Oversee the financials of 50+ concurrent projects across three business lines (fit-out, construction, solar), tracking actual costs against budgets and reporting per-project profitability to guide pricing and cash flow.
- Manage the general ledger on Zoho Books using cost centers by business line and by project, separating direct project costs, indirect costs, and G&A for accurate job costing.
- Process payroll and daily labor wages from site timesheets, allocating labor costs to each project.
- Built a project-control program integrated with Zoho Books and a Daily Labor & Wages Tracker using AI-assisted development (Claude Code), automating cost tracking and giving partners up-to-date visibility of project spend.
- Handle AP/AR, supplier and subcontractor payments, client invoicing, and cash-flow monitoring.

General Ledger Accountant

Jan 2025 – Present

Justclean | SaaS Company | UAE, KSA, Kuwait, Qatar, Oman, Bahrain & Egypt (Remote)

- Manage the general ledger for a SaaS business operating in 7 countries (6 GCC markets + Egypt), ensuring consistent accounting treatment and region-wide reporting.
- Record and review transactions in Microsoft Dynamics 365, including journal entries, accruals, and adjustments.
- Perform monthly, quarterly, and year-end closing, and prepare the corresponding financial statements.
- Reconcile GL accounts, investigate discrepancies and unusual entries, and flag issues to stakeholders.
- Process payroll, maintain the fixed asset register and depreciation schedules, and monitor AP and AR.
- Support internal and external audits by providing schedules, documentation, and explanations.

Senior Accountant

Apr 2025 – Apr 2026

Kshouf | Financial Services | KSA (Hybrid)

- Managed end-to-end accounting and financial reporting for a portfolio of 5+ Saudi client companies across logistics, food & beverage, landscape contracting, trading & retail, and engineering design, tailoring the accounting treatment to each business model.
- Prepared and analyzed monthly P&L statements, balance sheets, cash flow statements, and management reports to support client decision-making.
- Supervised general ledger activities, including journal entry review, account reconciliations, AP/AR monitoring, expense classification, and month-end close for assigned clients.
- Coordinated with internal and external auditors, preparing audit schedules, reconciliations, and supporting documents to ensure smooth audit completion.
- Automated accounting and reporting with Excel, Power Query, and Power Automate, improving data accuracy, reducing manual work, and shortening reporting cycles.
- Established standardized accounting workflows, documentation procedures, and digital archiving to strengthen control and audit readiness.
- Ensured IFRS and Saudi VAT (ZATCA) compliance through rigorous transaction review and documentation.

General Accountant

Apr 2023 – Oct 2025

White Bus & White Shark | Egypt

- Handled full-cycle accounting across multiple branches, including invoice processing, journal entries, and account reconciliations.
- Managed accounts payable and receivable with timely follow-ups, ensuring accurate vendor payments and proper cash-flow tracking.
- Prepared monthly financial statements (P&L, balance sheet, cash flow), investigating and correcting discrepancies to ensure reporting accuracy.
- Performed daily bank reconciliations, keeping ledgers aligned with bank balances.
- Maintained compliance with accounting standards and internal controls, supporting external audits with documentation and schedules.
- Automated recurring accounting tasks and reports in Excel to support management decision-making.
